

Blue Solutions Inc. (BSI) is a private, 501(C)3 non-profit organization that provides flexible, contract services for businesses. We offer experienced project managers and supervisors who train qualified staff who perform to your specific project needs and are available to work on or off premise. Projects are completed to satisfy customer specifications, quality and with inventory control measures.

BSI provides a broad range of contract services to meet the needs of our customers. We tailor contracts to specific requirements and offer a variety of business solutions including:

- Receptionist/clerical
- Custodial services
- Custom manufacturing
- Document management
- Data entry
- Scanning
- Grounds keeping
- Product fulfillment
- Mail services

*Contract solutions for your business*

#### VALUE

With Blue Solutions' contract services, your organization lowers overhead and decreases staff turnover rates; therefore increasing your return on investment by lowering your operation costs.

We also offer:

- Adaptable production space
- Experienced, professional staff
- On-time delivery of services and personnel - guaranteed

#### EXPERIENCE

We deliver high-quality contract services to high-tech, banking and automotive industries as well as non-profit organizations, schools, military, state and federal governments.

With a team that has more than 30 years of contract services experience, we will guarantee timely delivery and supply superior service while providing the value that your company needs.

#### EXPERTISE

Blue Solutions has developed a superior reputation and our combined experience and expertise make us a qualified partner for your contract needs.

By choosing Blue Solutions- you help the community by providing jobs to people with barriers to employment.
