May 9, 2005

### **MEDIA ALERT: GOODWILL HOSTING UT DONATION DRIVE**

**WHO:** Goodwill Industries of Central Texas

**WHAT:** UT Donation Drive

**WHEN:** May 9 – 17, 2005

**WHERE:** All on-campus dormitories and Goodwill donation sites

#### **MORE INFORMATION:**

Every year in May, the dumpsters near the University of Texas campus are filled up with unwanted items that could be donated to a good cause. That's why Goodwill started the UT Donation Drive to help eliminate trash near campus. The drive runs Monday, May 9 – Tuesday, May 17. Students can take a break from studying for final exams and clean out their closets by donating gently used items to Goodwill. Donations can be made at any on-campus dormitory or at any Goodwill store or donation site. Call 637.7100 or visit [austingoodwill.org](http://austingoodwill.org) for more information. Revenue raised through the sale of donations helps us fund our mission of providing job training and employment for people with disabilities and other barriers to employment. Last year, Goodwill provided services to almost 8,000 people.
