

## Goodwill Opens Newly Built Retail Store in Lakeway

*New Store Helps Fund Goodwill's Mission of Helping People Find Jobs in Community*

**WHAT:** Goodwill Industries Of Central Texas will be celebrating the opening of its new retail store in Lakeway, Texas with a family-friendly event on Saturday, September 18 at 1901 RR 620 South, beginning at 8:45 a.m. The newly-built retail store will provide the community with another location to donate and a new place to shop while supporting Goodwill's mission of providing job services for people with obstacles to employment.

Area residents are invited to attend a ribbon cutting ceremony at the new location at 8:45 a.m. with City representatives, Goodwill board members, executives and staff to commemorate the new location.

Throughout the day, family-friendly entertainment will be on-site, including radio promotions from Majic. The celebration will also include food, drinks, and entertainment from face painters and balloon artists. Attendees and shoppers will be able to register to win great prizes, and the first 100 people in line will receive a free gift.

The newly-built location will be the community's first full Goodwill retail store and second donation location. With the outpouring of support from the local community for Goodwill to have a full retail store, Goodwill worked together with community members to build a new 13,500 square foot building to better serve area residents with a more convenient location to shop for gently used goods and to make drive-through donations of gently used items, computers, cars and more.

The revenue generated from the sale of donated items in all of Goodwill's locations in Central Texas benefits the mission of providing job training services to people with barriers.
